The Spirit of '76. It's something very special and everyone has it.

Two hundred years ago, having the Spirit meant having the courage to stand up against an opressive government.

Since that time, the Spirit has been with the American people in all their endevours, whether they were of national interest or not.

Such is the case with the Pasadena High School Class of '76. We have strived to attain pride and enthusiasm for our school. We've not failed in this, for in the years that we have been at P.H.S., we've made new friends, felt saddened when our teams were defeated and cheered when they played on to victory.

Therefore, we, the staff of Campus '76, dedicate this yearbook to the Spirit of '76.

varsity football

With integrity, teamwork and determination to win, this year's varsity football team climbed to a rating of seventh in CIF. It was a team that maintained the dynasty of Pasadena High School, having only one league upset and winning a place in the CIF playoffs.

In pre-season play the Bulldogs defeated, among others, second ranked Bishop Amat in a brilliant defensive effort.

League play ended with the defeat of Muir High School at the Rose Bowl. The victory bell will ring proudly this year, proclaiming Pasadena's excellent record.

girls' volleyball

For a sport that ranks as the second spectator sport in the world, volleyball is virtually unnoticed here at PHS. This year's Girls' Volleyball Team, however, should be given the recognition for being one of the finest teams to represent Pasadena High School in recent years.

Under the watchful eyes of their adviser Charles Barrick, assistant principal in charge of student services, the fall ASB Cabinet carried on the business of PHS. Besides carrying out the duties of their own offices, during the first period meetings on Tuesdays and Thursdays, the cabinet discussed various problems of the school and their solutions.

They worked on ways to improve student life and passed or vetoed various money requisitions, depending on necessity and value. Another job of the ASB Cabinet was voting on all school activities and sales. Before any club could hold a sale or dance or even become a club, it had to be approved by the cabinet.

These various functions are all an important part of PHS. They were carried out by the fall ASB Cabinet with style.

Getting down to business

Under the supervision of publicity commissioner Natasha Weise, this years Publicity Board strove not only to keep the student body informed, but also to make the campus itself a little more colorful.

Tuesdays and Wednesdays after school were spent painting posters for the many organizations that needed publicity. The group took great pride in the fine work they did in making the banners for football games. Publicity Board's spirit really showed through during Homecoming, when the group spent two weeks painting the huge "Beat Muir" sign and the forty-four other signs which dazzled the Rose Bowl.

If not for the many hours of work put in by the Publicity Board, many of the school events and activities would have gone unrecognized.

Natasha Weise, publicity commissioner, oversees work.

Director

It takes both dedication and discipline applied to many hours of hard work to produce a band of the quality of Pasadena High School.

This year, keeping with its past tradition of excellence, the band produced a new classy repertoire. These exciting performances did much to help promote school spirit.

The band learned what it is to work as a unit, striving for the one commom goal of perfection.

One can easily understand why this musical orgnization has often been called the "Pride of Pasadena."

c.i.f. football

Few people expected to find the 1975-76 Pasadena Bulldogs in CIF at all. As the clock ran out after the second round of the playoffs, unbelieving fans were asking, "What happened?" The players had no reason to ask. They knew what had happened. They knew they had just finished one of the best seasons in PHS football history.

Beating cross-town rival Muir High School in the Rose Bowl, 35-14, the Bulldogs entered the CIF playoffs with a rating of seventh in the Southern Section. Playing host to the Yellowjackets from Oxnard at Pasadena City College in the first round, Pasadena's mighty defense, along with a speedy running attack, sent the Yellowjackets home defeated, 30-0.

In the second round, Pasadena proved they could come from behind. Matched with second ranked West Torrance, the Bulldogs, despite some key injuries, played the Warriors even. Trailing 14-0, Pasadena never quit, and with two fourth-quarter touchdowns, tied the score. However, West Torrance went on to win with a last minute field goal.

Reading the morning sports page after the game, some people could only wonder what went wrong. But those who were there, and those who knew the team, thought not of the loss, but of the games that were won, the games that brought Pasadena into the playoffs, and the games that made them proud to be part of Pasadena High School.

Ranked fifth in the CIF southern section ratings in the beginning of the year, and staying in the midst of the top ten throughout the season, the Varsity Basketball squad played good enough ball to get them into an exciting Pacific league race.

In preseason action only Freemont and LB Poly overtook the Bulldogs. Pasadena took the Basset-Bishop Amat tournament and went down in the quarterfinals in the Glendale and Tournament of Champions. In the first round of Pacific League competition, Pasadena lost to Alhambra and Muir in closely fought games.

Under the excellent coaching of George Terzian the bulldog cagers easily withstood the pressure and defeated Alhambra and Muir in the same week in their second meeting.

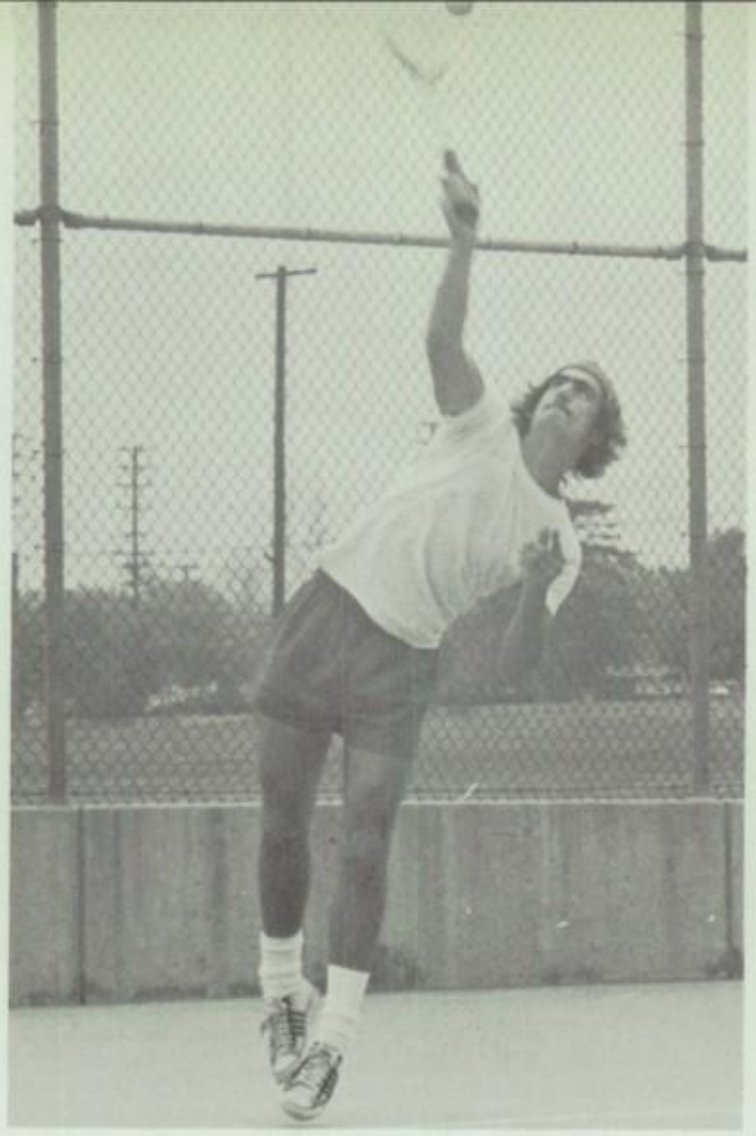
Good sportsmanship, an important part of any team



A difficult serve by Ray Elgin

The junior varsity tennis team ended its 1976 season in good standings. Playing a quick, competitive style of tennis, the Bulldogs showed once again that they are more bite than bark on the courts.

cif basketball

After terminating the Pacific league season with a hard-won first place tie with Alhambra, the Bulldogs rushed headlong into CIF competition with hopes of securing a California title. These aspirations were shattered almost immediately by the little known Hart High School. This defeat eliminated PHS from any hope of taking a CIF title, but nonetheless, the season was extremely rewarding for the Bulldog team.

drama

PHS is fortunate enough to have an extremely talented array of drama students: actors, actresses, musician, songwriters and singers. Everything from skits to pantomimes were performed in the Little Theater on selected Fridays during the year by the Drama Department. Under the direction of Abel Franco, the students worked hard to present these programs to the student body.

senior awards

Outstanding seniors this year were presented with special awards for exceptional achievements in their school and community. Unfortunately, however, due to the early deadline of the Campus '76 yearbook, it was not possible to present all said scholarship winners on these pages. In addition, some recipients failed to have senior pictures taken, and thus will not be shown either

Class of '76,

Our senior year of high school is now at a close, and I hope throughout our lives fond memories will be attached to it. During the past year the officers and council have been working hard preparing various projects. Our fund raising endeavors were very successful, aiding us all by creating reduced fees and a varied spectrum of (we hope) pleasing activities. Fifties Day and Dance produced the usual amusement while the picnics afforded us the opportunities to meet together in a non academic atmosphere. The many posters and rolls of tissue paper used to decorate the school showed our endless amount of spirit, making this the third straight year we have won the spirit week competition. All the time and hard work on the part of the Prom Committee produced a magnificent Prom. That beautiful evening in June at the elegant Beverly Hilton Hotel was so enjoyable.

Our past year was grand. We came from all walks of life, uniting in a common cause. Our experiences in high school will aid us in building the world of tomorrow.

I have enjoyed serving you and working with you. Good luck to each and every member of the Bicentennial Class of 1976! I hold this belief: Every person in our class is . . . great!

With warm regards,

yearbook staff

This year's issue of *Campus* '76 is very special to all of the staff members. I hope that in this book there is something special for you. My deepest thanks go to my adviser Ann Drury who put up with all our nonsense and jokes. I'd also like to thank my head photographer Carl Foote and the rest of the staff who worked so hard to present this year's issue of *Campus* '76.

The halls are empty

once again,

Echoing now, only with the

distant sounds of summer.

Sad and Lonely, they seem,

until again they ring with

the din of those who will return.

Bobby-
I haven't seen much of you this year, but then I haven't seen much of anyone since I only have 3 classes. I hope the next 2 years at this school are good ones for you.
Good luck next year & have a great time in Hawaii.

I must say that it's been a really different year. We did have our fun now and then though, if we had our differences or not we always managed to keep on talking to one another. I'm glad I came to know you the way I did. Have an outrageous and wasted summer. Hope to see you soon. Take care. I care. Love ya-
